

CPS and the CPC

UNDERSTANDING THE CPS PROCESS: FROM ALLEGATION TO CASE CLOSED

This webinar will explain the CPS process from intake to completion. Participants will analyze the background information provided for a CPS job and perform a self-analysis prior to accepting/declining the job. Participants will also compile a list of questions that should be asked of the point of contact (POC) after accepting a job facilitating a 2nd self-analysis. There will also be discussion/activities focusing on how to succinctly and effectively explain (to CPS) the importance of the customs of the deaf communities, language, communication requirements and cultural needs. Professional knowledge and experience will be supplemented with the presenter's personal experience as a foster and an adoptive parent. This webinar was designed for those interpreters working in non-educational settings.
